*In the words of Cindy Bickman, the owner and director of the Chattooga School of Gymnastics and Dance, when a child is born with a disability, doctors tell the parents all the things that child will never be able to do – the “dis” in disability. Not many people focus on the abilities that child may have.*

*For over 30 years, Chattooga has been the home for students with disabilities, providing excellence in dance & gymnastics instruction for all ages & levels. Currently, over 70 students with special needs (ages 2 – 46) participate in Chattooga classes. The students pay the yearly registration fee, but are not charged for classes. It's Chattooga's way of giving back to the community.*

*Students from Chattooga have been participating in the Santa Goodwill Tours for the last four years, thereby creating a “Santa Goodwill Tour” within a “Santa Goodwill Tour.” This year they will be traveling to the beautiful Colombian capital of Bogota. Why don't you join them for this very unique, once in a lifetime experience?*

A post tour extension to Medellin, Peirera (coffee capital of Colombia) and Cartagena is available.

**VALLETTA, REPUBLIC of MALTA Nov 30 – Dec 5 \$1595\* per person from New York** sharing one room and including all departure taxes/fees and fuel surcharges, four nights' hotel, full breakfast daily, round trip transfers, half day panoramic tour and a Santa Goodwill visit

Malta, one of the smallest countries in the world, has a fascinating and rich history due to its strategic location off the coast of Italy in the Mediterranean Sea. With a warm climate, numerous architectural and historical monuments and three UNESCO World Heritage sites, this island nation will fascinate you. Why not witness what may be the first time that Santa Claus meets the Maltese Falcon?! Optional extensions to Spain/Portugal (Lisbon, Madrid, Barcelona) and Italy (Rome, Sorrento and Sicily) will be available.
